

## Woodfalls Methodist Church 6-7-2021

**Church Building Update** I'm still waiting for them to get back to me with a second date for the electrical testing.

**Recycling** When the scaffolding has gone and when we have got rid of the large items we didn't sell this will move into the back porch, but at the moment it is in the ladies toilets if you want to dispose of any recycling. Please remember to sort it and fold several packets inside of one packet.

**Café** The three churches together are planning to start Café and Food Exchange on Thursday mornings in the Methodist Small Hall. We don't have a start date yet as we have to sell all the stuff being stored in the hall first !!!

**Notice Sheet Change** As more things are starting up now I changed the notices last time, but forgot to ask for feedback. So perhaps you could let me know which you prefer or I did wonder about putting an extra line under dates when there were more details.

**Don't forget** Please remember Shoe boxes, Recycling, Trussell Trust.

**Methodist Free phone lines** Prayer: 0808 281 2514

**Pastoral message** from President & Vice-President: 0808 281 2695—They own have one more week in office.

**\*\*1 Mid week Café Style Worship Wednesday 7th July 10.45am**

We thought for the first one it would be good to hear how people had worshipped during the lockdowns, perhaps people could share a little about the services they have listened to, because I know through talking to some of you, you have got to know whole new congregations on line, on TV or on radio. Or you might have read a Christian poem or book you would like to talk about or if you have learnt a new hymn or perhaps you have got a new message from an old hymn, if you let me know what it is before hand I can try and find it and we can listen to it or play it. Unfortunately we won't be able to have a meal afterwards until 21st July.

**\*\* 2 Church Council 10.30am** Please note it is 10.30am as I put 10.00am on the last notice sheet, but said it was just the date which changed.

**Mondays at 10.00am**

**\*\*3 12th July will be knitting and coffee in the car park.**

**\*\*4 From 19th July Creation Station, restarts and moves to Methodist Hall complete with crafts, coffee, cake, chat, crosswords, construct a jigsaw.** Organised Crafts to start won't involve sharing equipment and will sit socially distanced until government restrictions change. Try our crafts, bring your own craft or just call in for coffee, cake and a chat. All welcome. No set charge—tin for donations.

**\*\*5 Wednesday 21st July 10.45am** Informal Worship led by Rev Cecil King—Theme of Time. How do we spend our time ? Where does time come from ? Time for discussions and activities on Time ! Followed by a meal.

**\*\*6 Church Socials** Saturday 24th July 5.30pm Starting with a BBQ in Woodfalls Methodist Church Car Park or if wet spread out in church and hall as long as government change to stage 4 on 19th July. Followed by table quizzes and games for the children.

**Church family news** Sorry with all the preparation for the sale I have got behind with phoning people and no one has given me any news to

report.

**Paying the Bills** Many thanks to those who pay into church bank or have given donations so we can continue to paying the bills.

**Grand Sale** Many thanks to all those who contributed to and helped at the Sale. We have raised £779.32 to date. I sold £10 of books today to a lady who came up from Ealing who wanted old books, to put on a display unit—so she only wanted the ends to look old—the only old books we had left were religious, so I'm hoping she might actual read some !! She came on Saturday but the friend she was with rushed her through and when she got home she regretted not getting some old books for her display.

We have managed to store all the small things left in the old creche, but still have the following larger items if you know anyone who would like them—we will try and advertise them for sale on Facebook.

Snooker Table, Bathroom cabinet, two navy padded folding chairs, dining room table with 4 chairs stored inside, exercise bike, 3 old kitchen units, suitable for garage storage, 3 silver folding chairs—slight damage on seat but ideal to store in a wardrobe and bring out for Christmas Parties!!, 2 caravan porch awnings, child's booster seat with detachable back, fluorescent light, old wooden filing cabinet, plastic stacking chairs.
