

Church Family News I finally got to visit Muriel Flemming in Woodfalls Care last week, after having to cancel my visit because I had Covid and then they were closed to outside visitors. She wished to be remembered to everyone and said she would love to see anyone who would like to visit her. You need to make an appointment, wear a mask and do a lateral flow test before you go or on arrival at the home.

I thought some of you would like to know that Lucy Smith is getting married on Friday at Wokingham Baptist. (Lucy is my niece—came to Sunday School and Sunday Starters and I'm pleased she has joined a church after moving to Wokingham)

Recycling We have now put the recycling boxes in alphabetical order to try and make it easier for people to sort, as some things were just getting left unsorted. We found that some people have put wrappers in with crumbs, crisps etc still in the packets which aren't accepted and just have to go in the bin as we haven't time to empty them. I have updated the recycling list as there are some things which are no longer being collected and some new things which are being collected so please check the new list.

From the circuit. We are delighted that the circuit are giving a grant of 40% of the cost of installing the kitchen units in the small hall. So the kitchen units have now been ordered.

I have sent a reminder to Ed about repairing the disabled toilet and Graham is going to remind Dave about repairing the roof.

Gift Aid As I have heard nothing from our Gift Aiders I am assuming no ones tax situation has changed. _

Don't Forget

Please let me have any news to pass on to everyone else.

Psalm 23 for Busy People. Jackie Weddell brought this out to read to us at the last Wednesday service and someone suggested we shared it with those of you who weren't there.

Psalm 23 for Busy People.

The Lord is my pace-maker, I shall not rush; **He makes me stop and rest for quiet intervals.**

He provides me with images of stillness; **which restore my serenity.**

He leads me in the ways of efficiency, through calmness of mind; **and his guidance is peace.**

Even though I have a great many things to accomplish each day, I will not fret; **for his presence is here.**

His timelessness, and his all importance will keep me in balance.

He prepares refreshment and renewal in the midst of activity, by anointing my mind with his oils of tranquility; **my cup of joyous energy overflows.**

Surely harmony and effectiveness shall be the fruits of my hours.

And I shall walk in the pace of my Lord, **and dwell in his house for ever.**
