PLEASE KEEP THIS LEAFLET FOR REFERENCE—April 22

To help the environment we are supporting recycling schemes.

PLUS HELP THE FOLLOWING CHARITIES:- Methodist Homes (MHA), Alpha India(AI), Medic to Medic(MM), Mencap(MC), Wiltshire Air Ambulance(WAA), Downton Green Group(D) & FCSI.

Please note the following as we don't want things rejected & ending up in the bin.

1. Please sort into the various boxes in the cupboard which are in alphabetical order —sorry we don't have time to sort them - mixed bags will be binned.
2. Please do not screw up packets, they should be kept flat.
3. There are pictures and details on the cupboard doors if you need to check what things look like and what we collect,
4. If you can't get to the church with your recycling we have put initials by side of who takes what so you can recycle yourself.
5. You could put all same wrappers inside a multi pack wrapper to keep same wrappers together.
6. Only recycle clean packets—dirty packets go in the bin
7. Schemes often change so if a box has been removed from the cupboard we are no longer collecting it.
8. Recycling can be dropped off Monday mornings from 10-12 or Thursdays from 9.30-11.30am in cupboard in back porch.
