**** The dramatized recital of St Mark's Gospel on 7th November** is in aid of the House Of Opportunity so will go towards their work which includes the shoe boxes. Tickets can be bought on line and cost £7.50. We plan to go, so if you would like a lift please let us know.

**** Christmas Market** Is very fast approaching, if you can help on a stall, can make a cake, have some unwanted gifts for the tombola or gift stalls, or anything else we can sell, please leave it at the church or ask us to pick it up if you don't have transport.

****Shoe Boxes** As they have moved out of Salisbury they might lose a few helpers, so we are hoping that some local people will help out to replace them so if you would like to help it will be from Saturday 16th November 9-1 Monday 18th 10-4, then Tuesday to Friday 10-9, Saturday 23rd 9-3, Monday 25th-Wednesday 27th 10-4 unless finish on Tuesday. Rich said even if there is a large group then there will still be room for a few extra people.

You can have a sit down job if checking boxes or a more physical job of moving boxes. It will be great to see the church transformed into Santa's checking station !!!

**** Service 20th November** Because the church and hall are being used to check shoe boxes, the service and lunch will be in the small hall.

**** Talkabout 5th December** Speaker is Michael Fudge speaking on Cosmic Sparkle.

**** Nativity Festival 6th-8th December** Please let us know if you can help with stewarding or refreshments and encourage family and friends to come along.

**** Social 14th December** This will be a traditional Christmas Meal followed by a game or two if there is time. To help with catering please let Anita know if you can come.

Eco Church Apparently beef production is problematic for how much greenhouses gases it generates, because cows produce a lot of methane!! Apparently researchers are making efforts to cut down on how much methane cows produce by feeding them additives. But it will be a while before the experiments can be scaled up to help the planet. So in the meantime we can reduce greenhouse gas by eating less beef.

Scout and Church Christmas Post Emma kindly collected the Scout stamps for us tonight. Full details in the parish magazine (Get in touch if you don't receive one) Delivery areas as last year, cost is 40p a card. If you can help deliver this year please let us know.
